

Phyllis Newell

September 15, 1948 - September 6, 2017

Phyllis Newell stepped into the arms of her heavenly Father on a beautiful September day surrounded by her family, in the comfort of the home she loved.

Phyllis was born on September 15, 1948 and lived most of her life in her beloved Carroll County. She graduated from Carrollton High School in 1966, then spent an additional year as a Rotary Exchange Student in Australia. She graduated from Malone College with a degree in Music Education and the University of Dayton with a Masters Degree in Education. She was a member of Peace Lutheran Church.

She taught elementary music in the Carrollton Schools for 41 years and loved (almost) every minute of it! Her music programs were legendary! Her primary motivation in teaching Music was to “teach kids to love and appreciate music.”

A farm girl at heart, she was a passionate lifelong gardener and achieved a bucket list goal by earning her Master Gardener Certification from OSU in 2013.

Phyllis was always interested in giving back to her community and proudly served on the Bell-Herron Scholarship Committee, Ohio Retired Teachers Association, the Alumni Board and the CEA Teachers Union. She was an

officer in most of these organizations. Phyllis also chaired a district committee for the Ohio Music Association. She was a volunteer at the Algonquin Mill.

She was preceded in death by her father, Robert C. Newell. She is survived by Dini Cheviron, her dearest friend and loving companion of 50 years; mother, Lois Newell; and siblings, Robert (Diana) Newell, Bonnie (Frank) Chiurco, Bill (Barb) Newell, Jim (Christine) Newell and Tum (Linda) Nguyen. She had several Godchildren and numerous nieces and nephews. She is greatly missed by her loving “therapy” cat, Chloe.

Phyllis was a beautiful soul and exemplified Christ’s love in every area of her life. She was rarely seen without a smile and always had a few minutes to talk and “catch-up.” She was loved by many and treasured by Dini and her family.

In lieu of flowers, contributions in memory of Phyllis may be made to the Bell-Herron Scholarship Fund for the Phyllis Newell Music and Arts Scholarship, c/o the Stoneman Law Office, P.O. Box 326, Carrollton, Ohio 44615,

A Celebration of Life Service will be held September 30 at Peace Lutheran Church, 3828 Cleveland Ave. SE, Canton, Ohio 44707, at 11:00 a.m. with visitation from 10 a.m. until time of service.

“ My kids love music class and Roshelle went on to play flute, piccolo, and baritone in the band. I loved going to concerts.

“ Miss Newell always had a smile for everyone she met. Always upbeat and positive as she touched the lives of many families. Children always loved music, even my shyest child. She made each person she met feel special. Phyllis shared the live of Jesus each and every day. Well done good and faithful servant!

“ One of my favorite teachers at Dellroy Elementary School. She always had a smile on her face and made all of us kids feel special. I can still recite the 50 states in alphabetical order because of the song she taught us in 4th grade. She will be missed.

“ Miss Newell will surely be missed. I had her when I went to Augusta for band and music. She made us laugh and taught us to appreciate music. She is one of those teachers you never forget. I still remember all the program songs by heart that she had our class do. I still sing them today and when I do sing them the memories of her flood my mind. She definitely left an impression. My heart and prayers are with her family and friends and many classmates who had her as a teacher.

“ She was my music teacher at Augusta Elementary and was such a special person. Her attitude and demeanor was always so welcoming and she always was encouraging. She has a special place in my heart forever. I got to know her father also and it is comforting to know they are reunited and free from all earthly bounds. God bless the remaining family my thoughts and prayers are with you.

“ Ms. Newell will surely be missed! She touched so many lives during her time as a music teacher! Her love for music and her students was so evident every day in class. She had a special gift for cultivating a love for music and finding ways for everyone to get involved and have fun while doing it. She was always one of my biggest encouragers at Augusta Elementary. She really helped me grow, explore, and appreciate music from Kindergarten on, while also challenging me to go outside my comfort zone. I will forever be thankful for the things she taught me and the support she provided throughout my elementary years.

This virtual ray of sunshine is how Ms Newell was with everyone she touched, in school as a teacher and outside of school. My mother had Ms Newell in school also and she inspired my mother to be an awesome drum player in her high school years... I always loved being around her in school and when I seen her outside of school. My the Lord imbrace her friends, family, and all of her MANY students over the 40+ yrs she touched everyone's life being the BEST music teacher EVER!!!

“ *Miss Newell was a outstanding educator and to this day I still remember some of the things she taught us in music class. I remember her having us sing songs in front of the class. And no matter what you wanted to sing she always allowed it. No matter if it was one of the many top hits of that year or something not making radio play. She truly had a wonderful impact on many. I remember the movie she played for the entire Dellroy Elementary at the end of the year. It covered lots of life lessons. She is now singing with the angels as she should.*

“ After my dog bite in 1995 , they told me I would never play flute. I had my heart set on it.... So I tried anyhow. Ms Newell worked hard with me. Every day we practiced and I got better. She got me into private lessons which allowed me to play at mount union for the honors flute choir for 4 years while in high school. She made me the musician I am today. She never gave up on me, even when it got tough bc my mouth was tired and sore. She never let me quit. Thank you for everything ms Newell. You pushed me to always be better and I could never repay you for the gift of music you gave me <3

“ I have many fond memories of Phyllis. I had the privilege of being her student at Dellroy Elementary and her neighbor at Atwood Lake. My fondest memory of her was a neighborhood bonfire where she led us in campfire songs. I will always remember her warm smile and kind heart. Sending prayers for peace to Dini and the rest of her family.

“ *Miss Newell was such a happy energetic music teacher when I attended Willis! Then when my son was at Augusta Elementary, I remember coming to the Christmas sing-a-long that she led, and most of the music was about Jesus' birth. At a time when most people are afraid to share about Jesus in school, she let her light shine!!*
