

Richard "Dick" Vaughn

August 13, 1942 - May 8, 2025

Richard "Dick" Vaughn, 82, left this material world on Thursday, May 8, 2025 to walk in the garden of the Lord with his loving wife, Barb, and other family and friends who preceded him in death.

In life, Dick enjoyed music, fishing, all sports and spending quality time with family and friends. He played guitar and sang in a country folk band for multiple years. He believed there was nothing better than good fishing and great toe-tapping music.

He loved with all his heart. In return, the people who were fortunate enough to cross his path returned the gesture. Dick leaves behind his sister, Gay (Harry) Hemilright; his step-sons, Gary (Debbie), John (Kim); step-daughter, Tracy; nine grandchildren; six great grandchildren; and several friends.

Go home, be with your loved ones who have been waiting to receive you. Most of all, give Mom a hug and kiss. Tell her how happy we are that you're together again. Erika says, "Until we meet again, you dirty old man," and John says, "It's time to take the stage."

In accordance with Dick's wishes cremation has taken place and there will be no formal services.

“ My daughter and I thought the world of Dick. We loved him very much and we truly miss him. He played in my husband’s band for many years in Orlando until he moved to Ohio. He had an amazing voice and was good on the guitar. I know he is up there in heaven playing music with some of our other band members. My husband Bob, Ray and Oliver. I always taped the band when they were playing and Dick made me a tape of just his songs it was very special to me but I can’t play it right now because it breaks my heart. When I see him in heaven I will ask him to sing that’s the only way to cry my favorite song he did. Please say hi to Barbara and Bob for me. We will truly miss you and we love you.

“Wow... This is so hard to see you gone. I enjoyed knowing you as Frenchy from World of Warcraft. You are an amazing friend. I know you're happy to be with your wife again. I loved the stories you used to tell us about being in your country band. You made me laugh so much. You were like the dad I never had. Hopefully, one day we can laugh together again in Heaven & I can hear more of your amazing stories. I know Pudie is glad to see you too. Tell Mrs Barb we said hi. I will truly miss you. I love you & hope when that day comes, you're there with open arms.
