“ Ron was my musical mentor, I respected him highly as a person, a friend, and a musician. He molded a lot of talent through his support and friendship. Never how much time passed between seeing him, I was always greeted with a hug and a smile, the man was always upbeat. Thank you Ron Davis for the music, and the honor of calling you friend. Rest in peace. Your drummer girl... Barbie Myers

“ I will always cherish the music and friendship that Ron and I shared. We had a "special" connection that he and I shared when it came to playing music (FM!) and we would always smile at each other after jamming a tune because it was magic! He was my mentor, my friend and my brother at arms (music). He was a wonderful man and I will always remember him in my music for the passion he shared with me and the gift of his life that he allowed me to be a part of as his friend. Rest in heavenly peace my brother and keep my amplifier on standby. Your friend, Billy Myers
