“ I am deeply saddened I am not able to be with you all for the services. I am sending my love and prayers for grandpa and the whole family. I really enjoyed the times that we were able to spend with grandpa while he was with us. He cared about his whole family and went out of his way to make sure we felt loved! When I had covid-19 he called just to check up on me and make sure I was doing okay even though he was feeling under the weather himself. May you rest in peace grandpa and I am sure you will be watching over the family in heaven. I love you and you will be missed!
