“ *Aubree wanted me to say that she is going to miss Grandma Ruthie but she knows shes with Jesus singing and dancing. She said she was glad that she got to pray for Grandma Ruthie when she was in the hospital. As for me she has always welcomed my family and she was always a Blessing. No matter what she was always giving us good advice and showed us nothing but love. I know she will be missed by many. I just want everyone to know that we all pray for everyone to have peace and comfort. Ruthie until we meet again. Tell God I said hi and I'll see you again one day*

We've had a lot of fun over the years. I'll always remember walking on top of the bridge at the creek by the railroad tracks! ha ha You've earned your wings honey, fly high!  
Love you so much, Latricia
