“*Dave, Dana and Doug, we are so sorry that we won't be able to be there to honor your Mom during her services. We will miss her and her caring ways, she always showed her love for family and friends. We have many wonderful memories of our families being together and will cherish them until it's our time to join them in heaven. We are sending our love and prayers and what you to know that we are thinking of you during this time of sorrow. Just remember that she is in a much better place and has rejoined your Dad in heaven.*

“*May God lay his hand on you heavy heart and lead you to the great memories you shared with your mother.*

Sandy was a lady of style, grace, joy, and happiness. Sandy loved life and the lord. She was always so kind and positive every time I would see her. It was a blessing to know her and to have her touch our lives.

May God bless each of you with the comfort of know she has reached her destination and is now with your dad and our Heavenly Father.

“ So sorry for your loss. Our parents rewarded us with precious memories. What a wonderful lady your Mom was. Always so kind to everyone. She did my Mom, Phyllis' hair on Fridays...for years. She would always tease my Mom about the two of them being sisters....I think it was a height thing. Mom was shorter also. Bless your families! Rodney Grimes
