“ *Bill, Michael and family, I am so sad to hear of the passing of Shelva and, Michael, of your mother. Michael, she adored you and your family especially that handsome grandson. She was one special gal. She and I have known each other since first grade and were very best as soon as we met and then all through school. After I moved away to Florida and Arizona I always looked forward to visiting with her when I would visit Carrollton. She was one of those friends that you might not see for a long time but when we would get together we would pick up where we left off. Like we had never been apart. We just sort of new what the other was thinking. One thing we used to do was go to McElroy's Drug Store after school and order a chocolate coke. Yes, Shelva loved her chocolate. My prayers and sympathy to you all. Love, Janet McNaught*
