“ I was so sorry to read earlier this year of the accident that took Sue's life. I have daughters about the same age and do not know how people get through these things. God Bless you and your family.

“ My sympathies are with the Wilson family. It is not easy to lose someone we love in death. Jesus said in John 5:28 "the hour is coming in which all those in the graves will hear my voice and come out."

“ Shirley, Kenny and family~ My heart is so very heavy with the loss of Susie. She was always so kind and loving, and thinking of others needs. She loved her Family so very much. I always looked forward to our visits at Moms and picking on her and Mom about their passion for Nascar. May God give you strength and comfort during this most difficult time. Know you are loved by many, and we are all lifting you up in prayer. If there is anything I can do please let me know. Love you!
