“ We are so sorry for the loss of your mother. We didn't know until the newspaper came out. She was always a kind neighbor and I enjoyed talking with her whenever I saw her. I like this picture of her because it shows her lovely smile. Our condolences to all of you.

“ Through my years of growing up I spent MANY MEMORABLE YEARS, esp after reunions at the Hinton farm bailing hay. The last time Theresa was here we laughed about that. Fast forward to the recent past and Theresa & I spend several years working together at Harvest for Hunger project at First Christian Church in Canton where we helped prepare food to feed thousands (literally) Thanksgiving Dinner. I remember one year we were up all night cooking five large turkeys to donate. Theresa would cut pies into individual pieces and box each piece and I would help carve baked turkeys along with about 25-30 others until the goal was met. Last time we worked I believe we fed 10,000 people. Theresa would come into the church kitchen & say its break time and tell me to get us both coffee & we would sneak off & have our pieces of broken up pecan pie then it was back to work,,, we were so tired we could hardly walk out AND then it was time to come to my house and get our thanksgiving dinner ready.. Those were such sweet memories and the last FEW THANKSGIVING JUST HAVENT BEEN THE SAME WITHOUT YOU IN THEM !!!!! I know after Jim died there was a hole in your heart that scabbed over but never healed and I take comfort in the fact that because you know Jesus as SAVIOR you are safely home in a mansion just a breath away. So I'll say goodbye for now until we meet again, i'll Miss you terribly but I'll be along when my work here is done. Lynn
