“ *My Dad Larry Davis enjoyed Tom so much. I have memories when I was a little girl going to the barn with Dad to visit him. At recess at Willis we loved the dairy cows out in the pasture. A good man. Much love and prayers to his family.*

“ Uncle Tom was very special, he never changed. He helped everyone, everything I would talk to him on the phone there were words I could say and he immediately knew it was me. Sometimes when I would see him he would say, Hello Darlin. He knew how much I loved Conway. My heart is broke for the family.

I met Tom in 2008, I noticed at that time how nice he was. I also noticed how his personality rubbed off on his whole family. Tom was the nicest, most generous man I've ever met, I can't say enough good things about Tom and his family it would take forever, I'll never forget you old friend!
