“ I only got to know Tom one season playing on the same team last year. From the minute he introduced himself to the end of the season Tom showed great sportsmanship and friendship. I hold fond memories of my teammate and will truly miss seeing him on the ball field.

“ My prayers for this family. I met Tom at Value City Department Store many years ago. He was a very kind man. He had a very kind spirit and I know he will be missed. Please remember that he made a lasting affect on many as he lived his life.

“ Sending my condolences to the entire family. Tom was my manager at Value City. I was only 16 years of age and he made my first work experience a pleasure. He showed me what great work ethic looked like all while being a good kind soul. He even hosted my first borns baby shower at his apartment. I will never forget Tom. He was really one of the decent ones. My prayers go out to his family during this difficult time.

“ He was my insurance agent for about 20 or more years. We helped save the Coats for Kids when we were members of the Lions Club. When the club folded, we got a 501-C and created the Carroll County Coats for Kids. Tom did most of the heavy lifting, like transporting the coats back and forth, and running the program at his office all fall on days other than our 2-day distributions. I'm hoping someone will step up to help me keep this valuable asset alive in Carroll.

I second all the posts calling Tom a great person, a roaring infectious laugh and that heart that let him down was one of the biggest I've known, with welcome rooms for everyone. So glad to have had the privilege to know him.

“ Tommy

It has been an honor to call you friend / brother for well over 30 years. Marisa, Stephanie and I will miss you greatly. What started as a chance interview at Value City many moons ago turned into a friendship everlasting. Spending time with you and Maurissa as you celebrated your 25th wedding anniversary here in Baltimore we will always cherish. Playing one more round of golf at our favorite course I will never forget. We were blessed to see you one last time. You will be missed but we know your presence will still be felt. We will be praying for Maurissa, your Children and the rest of your family as they heal from your sudden passing. Our family will heal as well.

God Bless you Brother! I will miss you.

We all will miss you!

“ My deepest condolences to Tom's family. Tom was my manager in the shoe department at Value City, and he was such a joy to work with—always fair and full of life. I'll never forget the Star Trek watch parties he hosted at his house for the shoe department crew. Those were some of the best times with the VC team! Rest in peace, Tom. You were a truly kind soul.

“ I would like to extend my deepest sympathy to Tom's family and friends. I played softball with Tom in the Silver League in Canton. Unfortunately, I did not get to know him well because we played on different teams, but Tom always greeted me warmly as if we'd known each other for years. He was a good ball player, and I regret that I did not get the time to know him better. I'm sure we would've been good friends. This is another bitter reminder that tomorrow is not guaranteed to anyone. May God's peace fill and sustain Tom's family during this very difficult time.
