“ My condolences to the Lucas family. We all grew up together. We were so blessed as a neighborhood to have had many mothers and fathers. They all looked out for everyone's kids, they let us be kids but made sure we stayed within our boundaries. I will always remember her as one of the great mothers of our neighborhood. A was a very special person.

“ My condolences to Mrs. Lucas's family. I remember her well, a great lady, both sitting in the office at Bell-Herron and living on the same block for a time. My gran'ma taught just down the hall from her, and I know that Mrs. Lucas was a help and I'm sure a friend to her as well.

“ Trudy was very great lady, when I was in school and I stood in the corner many times for being bad she didn't give any leniency if you leaned up against the wall. I learnt a lot from her in so many ways, and John too. Miss them doth well will . Thoughts and prayers to all.
