“ *To Marlene and family, I met Velma when we were roommates at the Rehabilitation in 2009. I was given a phone number to contact her when we both left the facility, however I misplaced it. She was very special to me as we both shared our lives with each other. Family was most important to her. She invited me to "pizza night" at her daughter's home, something she looked forward to. I will never forget her and I offer condolences for your loss. Jeanne Grossman Email jgrossman996@gmail.com*
