“*Velma was a very special person to me in my childhood, she was a great neighbor and I loved playing with her kids in the treehouse, the paper dolls that Terri and I made out of her old Sears & Roebuck catalogs, we spent hours in that treehouse. Velma and my Mom always knew where to find us. She was a true friend to my mom for many years, Mom always looked forward to Velma coming and picking her up and they would be off to Canton for the day! She will be greatly missed. My deepest sympathy to all of the family at this difficult time.*

“*I have known Velma and Carl the past few years. I enjoyed visiting with them both in their home. Velma was well known for her candy making skills and her quilting. Also her care and feeding of the stray cats in her neighborhood. She was a lovely lady. My thoughts and prayers are with Carl and her much loved family.*
