“ *I'm truly saddened by Vic's passing. I remember when his family first moved to Dellroy, and all of us Dellroy kids quickly bonded with Vic and his siblings. I'll never forget all the rides to school he gave us girls as he passed our houses on his way to CHS in the morning. Many of the songs we listened to on the radio in his car on the way to school still take me back to that time when I hear them. He had a heart of gold, and his absence will always be present.*
