“ Just learned late today of your loss and wish to extend my condolences to the family. My connection to the Jenkins family was back in 1969. I had visited the family farm on many occasions and worked briefly for Junior Jenkins on the farm on Rt-9 and dated Vickie's cousin from Yipsilanti Mi. I remember Vickie, Linda and Nancy as the younger sisters of Connie and of course Kenny and Ed. I have a picture of Connie and friends at a party after my return from Vietnam 1973, taken out at the Augusta farm. I never have known what to say in these situations, except that I'am very sorry this happened.

“ Vicki brought a dramatic, and positive influence into Scotts life, and we do appreciate, and thank her for that. It is obvious that their love was mutual, and was a good thing in both their lives. We hope for peace in all lives affected by this sad event, and Scott know there is always someone to talk to, and stay strong.

“ Vicki was amazing woman and such a strong hearted person. I will never forget this woman that i grew to love so much, she was not just a friend but she was my family. I pray that god can guide jessie and amos (and the entire jenkins and search families) through this terrible time and know that they have so many people who love and cherish them. Vicki's legacy will always live on each and every day but most through amos and jessie (and those beautiful, beautiful grandbabies) as they have and share each and every WONDERFUL quality that made there mother the AMAZING WOMAN she was inside and out. I love you Amos and Jessie and I am always here for you no matter what you may need, no matter what time of the day. You have always been like family to me and you are always in my heart. LOVE YOU. May god wrap each and every one of you in his arms and guide you each and every day. Love Cristie Townsend Swartz

“ Although it is very difficult to see beyond the sorrow, I hope looking back in memory can help comfort you tomorrow. There are no words to express my love for Vicki. She had the biggest heart and shared her love with everyone who she came into contact with. Her smile could light up any room. She tried to teach me things (crafts and cooking) on a regular basis. Things I am not very good at, but with me she still showed patience. There are so many memories, but making curtains stands out most in mind. I did nothing right, but she kept encouraging me to try. She had to fix everything I did, but the day of laughter and love is what I will never forget! She helped show me that family is not just blood. Family is who you share things with and always love. Everytime I saw her she greeted me with a hug and a kiss and told me she loved me. She lives on in all of the lives she touched. With all my love..... Janet Stephens

“ Vicki was my sister in law for only one short year. I met her in 2008 and she welcomed me into the family like I had always been there. I enjoyed every minute talking to her and sharing times. One of her greatest qualities was she lived life, she did not just sit on the sidelines, she made the most of everyday, especially with her family...they were her pride and joy. I will miss her greatly and will never forget her or the all too brief time we had as family here on earth. Love you Vicki...until we meet again!

“ *Extreamly shocked and Deeply Saddened to hear about Vicki. Always there when anyone of us had a need to talk, or a complaint about our jobs, or companies that we worked for. Stern and strong when needed to be, Kind and caring when needed. I could not imagin the hurt and loss you feel right now, Just know that not only will God be with all of you but all of us Drivers that new her, and Still Love her will be there for you too.*

“ *Vicki was like the sister I never had. Our chats were not frequent but very meaningful & we both felt better ever the chats. My birthday was never forgotten by Vicki & was so hard on Vicki as that was the day Bob (her father) died. But Vicki still would call & wish me a happy birthday between the tears. That's true compassion. I'll never forget the laughter & the tears. My love & prayers to the entire family. My heart aches with you. Diane Garrett*

“ *Words cannot express how my heart goes out to this family. I knew Vicki many years ago, and I am so saddened by the tragedy that has befallen the Jenkins family. Please know that my thoughts and prayers are with you, and I trust that God, in His mercy and grace, will grant Linda the strength and peace she will need to continue her life in a manner that would be pleasing to her loved ones. God bless you, Linda, Jessi, Amos...God bless you.*
