“ Memories of Wayne Dunlevy bring a smile to my face. We Stratton kids grew up with Wayne and went to elementary and high school together. Wayne was always so smart and always so humble. He was in my sister's graduating class in 1967. I remember Wayne on stage at Stanton Highschool excepting the valedictorian award. My sister, Christy, was at his side as salutatorian. I was fortunate to be a friend of Deb, graduating together in 1969. My deepest sympathy to the Wayne Dunlevy Family.

“ Going to miss you Wayne. Always enjoyed your phone calls to me when you found a rare collectable or where the next car show is going to be that we could meet at. I remember the first antique bottle show in Richfield Ohio 30 years ago when you stopped by my booth. You bought your first K.T.K. China whiskey jug. We became good friends and stayed in touch since. I will miss you. Tim

“ Wayne was a generous and thoughtful man. Rarely are these qualities found in a person. I will miss many things: talking with him, seeing him on his tractor and with Blue. I wish to offer my most sincere condolences.
