“ I have a lot of many memories with you. None as a adult in the last 6 years. You were truly like a brother to myself and my sisters growing up. Thanks for looking out for us and thanks for being you. Especially that grin of yours. Fly high my friend and give Deb a hug for me. 🤍🙏✌️

“ From Hightschool to adults we were friends. We talked for so many hours when you were on the road or when I was on the road. I still have your text and messages from you and will have to keep as memories until we meet again. Thanks for being YOU.
