“ Marie & Family: Our sympathy is reachong to you at this time, via e-mail. Cecil & I regarded both of you as fine Christian people who went as far as you could to help others: How well we can remember this from Camp Ecco and the times we were there with Pastor Frisbee, Ron & Karen Carver. May God sustain you in your time of sorrow, and bless you.

“ Marie and family, We can not express the sorrow we feel and the shock about Bill's passing and especially the way it happened. He was such a gentle man and more of a gentleman than some people may ever realize. Good natured and we loved him and we love you. You folks gave us a lot of precious memories. We work different shifts, so we are not sure if we can make it to visit. You are in our prayers

“ We have lost a true and great friend, a man with great compassion for life and others. I personally will miss him, our daily phone calls that would sometimes last for a couple hours, or just to trade some information. He touched the lives of many in his profession, as he greatly touched mine. I and many others are going to miss him greatly, It seemed that if we were having a bad day, he'd be able to make us see a better way that would turn it all around for the better. I'll miss you Bill
